

PROJECT
360 BUSINESS
AI INTEGRATION

FREE BUSINESS AI WORKSHOP

Connect your systems.
Give your team better answers.

See how conversational AI can connect the software you already use, turn business information into clear answers and support practical action.

WHAT YOU'LL LEARN

Where AI fits
in your business

How existing
systems connect

How teams get
real-time answers

How to start with
a practical first step

YOUR SYSTEMS

Finance

Rostering

POS

Bookings

CRM

Inventory

YOUR BUSINESS
AI PLATFORM

OWNED BY YOUR BUSINESS

CONVERSATIONAL AI

YOUR PEOPLE

Owner

Managers

Staff

BRING ONE BUSINESS QUESTION

Think about one repeated task, delayed answer or disconnected process you want to improve. We'll use practical examples to show what is possible.

PRESENTED BY TONY WATKINS

30+ years in software integration
and automation.
